

popcorn

Popcorn™ will transform any space into a great place.

From rich hues to subtle neutrals, Popcorn will transform any space into a great place and keep the crowd comfortable. Gang them together in rows to impress. Stack them 34 high on a dolly when it's time to move on. Popcorn is one slick stacker with all the quality you would expect from Global.

The one-piece polypropylene shell includes a cutout for easy cleaning and a handhold for ease of stacking. The chrome-plated, ½" diameter solid-steel frame with no front cross bar improves leg clearance and comfort. The wall-saver frame design provides flexibility in tight spaces, protecting walls from damage.

Armless
