

Mango

boss
design

Mango, our new
personal workspace
solution, is created with
headspace in mind.

Mango

BY BOSS DESIGN

Mango is a personal workspace with an acoustic privacy screen and multi positional writing tablet for quiet and private working. Arm shelves and power options provide additional work surfaces and connectivity. Dual density foams support the user and there is storage underneath the seat area.

An upholstered return screen can be added to the front of the unit to further enhance user privacy.
